Sir,

Ref: G.O.Rt. No 856 P.W.D. dt. 1.5.56

In this case, the proposals are for the acquisition of a portion of S.No 3/1 of Bilinele village of Puttur taluk for the formation of an approach road for the construction of a submersible bridge at mile 23/6 of Dicky Cart Road. The draft notification under section 4(1) of the Land Acquisition Act submitted in this case was approved by the Government in the G.O. cited and published at pages 444 and 445 of Part I of the Fort St. George Gazette dated 30.5.56.

2. The notices under Sec. 9A of the Land Acquisition Act have been published and also served on the interested persons in the prescribed manner. But no objections to the acquisition have been received. The value of the land has been fixed on the normal letting value of similar lands in the vicinity. The total cost of the plot including solatium works out to Rs 375-0-0 which the Rev.Divl. Officer thinks reasonable.

3. The extent notified in the draft notification is 0.77 acres while the extent, arrived at after scrutiny of the survey records by the District Surveyor is 0-76 acre. A statement reconciling the difference between the extent in the notification and that now proposed to be published in the Draft declaration is enclosed.

4. I submit herewith a draft declaration under section 6 of the L.A.Act in duplicate and request that it may be published in the Fort St. George Gazette.

5. The records of 5-A enquiry with a sketch of the plot

proposed to be acquired are enclosed. They may be returned to this office when done with.
